Dear Sponsors and Donation Recipients:

My name is Mahogany Williams, and I am CEO of *MaZe Me Concept LLC*, a Make-Up Artistry and Image Consulting company.

As CEO of *MaZe Me Concept*, I have over ten years of expertise in the entertainment industry, working with some of the most prominent companies in the business such as Laura Mercier, M.A.C. and La Prairie. *MaZe Me Concept's* work has been featured in entertainment venues such as: BET's Lift Every Voice, Celebration of Gospel and Bobby Jones Gospel, The Dorothy I. Height Black Family Reunion, Nassau Bahamas Annual Family Festival, and other television programs and film.

On Thursday, January 10, 2013 at 7:00 PM, *MaZe Me Concept* will host its premier launch event at The Newton White Mansion, 2708 Enterprise Road, Mitchellville, MD 20721. This exclusive industry event will be an unforgettable night filled with cutting edge make-up artistry, high fashion, celebrity appearances, media coverage, live entertainment, a featured performance by a special guest artist and so much more.

Please accept my personal invitation for to be a part of this "aMazing" event by supporting the production as one of its sponsors/donors. Sponsors will have the opportunity to advertise their business through various promotional tools and network with some of the elite in the industry. Furthermore, as a sponsor generosity will immediately impact lives.

As an avid community supporter, one of my passions is to encourage young woman to see themselves as beautiful from the inside out. That is why *MaZe Me Concept* is excited about its partnership with "Talk to Me" a nonprofit organization that seeks to empower young women through progressive mentoring and educational development. A portion of the events proceeds will go towards furthering this amazing cause. Not only is *MaZe Me Concept* a proud fiscal supporter of "Talk to Me," but I mentor several young women the organization serves. The Launching event of *MaZe Me Concept* will also provide an internship opportunity for these remarkable young women.

I thank you in advance for your time and consideration. If you need additional information or have any questions, you can reach me at contactus@mazemeconcept.com. I believe our community would benefit tremendously from your generosity and I sincerely appreciate your consideration of our proposal for sponsorship.

Sincerely,

Mahogany Williams
